## Opening Notice of “Advisory Panel on Verification of the Effectiveness of the Contest in the Landing Slot Allocation Scheme at Haneda Airport”

“The Contest in the Landing Slot Allocation Scheme at Haneda Airport” was run from July to Nov. 2013, and the advisory panel has evaluated the proposals on “the community’s efforts to strengthen the flight network connecting Haneda Airport and its area in partnership with the airline”. Following the assessment, one slot was allocated to Haneda=Yamagata, Haneda=Tottori and Haneda=Iwami Routes respectively, and the airlines have launched services from the end of March 2014, according to the Summer Schedule.

For these flight routes, active approaches toward demand stimulation are being taken mainly by the three airports, and this is to inform you that the above-mentioned advisory panel will be held in order to verify the effectiveness of the efforts at respective airports. (See the attached sheet for the panel members)

1. Date : November 10 (Monday), 2014 4:00pm – 6:00pm
2. Venue : Central Government Bldg. No. 3  
International Conference Room on the 8th Floor

- Note: This panel session will not be open to the public and the verification results will be released at a later date. However, those who are interested are allowed to have an interview with the panel members as well as taking photos only at the outset of the session, and please come directly to the venue by 3:45pm.
