## **Holding of the 7th Airport Infrastructure and Facilities Maintenance Committee**

In December 2012, in an effort to protect people's lives amid rapid aging of social infrastructure, Civil Aviation Bureau (JCAB) of Ministry of Land, Infrastructure, Transport and Tourism (MLIT) has set up the above Committee to explore the best way to maintain airport infrastructure and facilities in the coming years, and in March 2014, has finalized the proposals to maintain and replace/reconstruct such infrastructure and facilities.

Regarding maintenance of the infrastructure and facilities, not only the government but local governments in charge of airport management are having various issues. And this is to inform you that JCAB will hold the meeting as below to discuss how to make effective use of inspection data as well as promote collaboration with regional airport administrators, etc. to provide support for airport pavement maintenance and reconstruction.
