Preface

Part I Building up the Country and Regions to Actualize an Abundant Life that Extends to Future Generations ~ Creation of a Country Generating Diverse Synergies among Regions ~

Chapter 1 Current Conditions in Japan such as Declining Population	2
Section 1 Demographics of Japan.....	2
1 Japan's Population Shift and Future Demographics.....	2
2 Total Fertility Rate and Women's Employment.....	11
Section 2 The Affect of Population Decline on the Cities and Life in the Rural Areas.....	18
1 The Awareness of Citizens Regarding Population Decline.....	18
2 The Effects of Population Decline on the Cities and Daily Life in Rural Areas.....	19
Chapter 2 Building up the Country and Regions in a Society Amidst a Serious Population Decline	26
Section 1 The Flow of People, Goods, Money and Information.....	26
1 The Flow of People to Rural Areas (Residential Population) such as Migration to Rural Areas.....	27
2 The Flow of People (Interacting Population), Goods, Money and Information to Support the Local Districts.....	51
Section 2 Structured Community Development Tailored to the Needs of the Times.....	81
1 Benefits of "Compact" and "Networked".....	82
2 Case Studies of "Compact" and "Networked".....	87
3 Creation of a Country Generating Diverse Synergies among Regions.....	107

Part II Trend in MLIT Policies

Chapter 1 Initiatives towards Restoration and Reconstruction from the Great Eastern Japan Earthquake	114
Section 1 The Current Status and Measures towards Restoration and Reconstruction.....	114
Section 2 The Steady Recovery and Reconstruction of Infrastructures and Transportation.....	115
Section 3 Promoting Post-Disaster Town Reconstruction and Securing Stability of Residency.....	117
Section 4 Securing Local Public Transportation and Promoting Tourism.....	118
Section 5 Ensuring the Smooth Execution of Reconstruction Projects.....	119
Section 6 Reconstruction, Revitalization and Etc. of Fukushima.....	120
Section 7 Building Tsunami-resistant Communities by Learning from the Great East Japan Earthquake.....	120
Chapter 2 Deploying Land, Infrastructure, Transport and Tourism Administration Tailored to Urges of the Times	122
Section 1 Driving the Implementation of a National Land Policy Package.....	122
Section 2 Measures, etc. against Aging Social Infrastructures.....	122
Section 3 Driving the Social Infrastructure Development.....	125
Section 4 Promoting the Implementation of Transport Policy.....	126
1 Developing Policies Based on the Basic Act on Transport Policy.....	126
2 Reconstructing Local Public Transportation Networks.....	127
Section 5 Driving the Implementation of Ocean Policy (Oceanic State).....	128
1 Driving the Basic Plan on Ocean Policy Steadily.....	128
2 Protecting Our Country's Interests in Maritime Rights.....	129
Section 6 Protecting Territorial Land and Territorial Waters Firmly.....	131

Section 7	Driving the Implementation of Water Cycle.....	133	1	New Phase of Relationships between the Central and Local Governments.....	136
Section 8	Efficient, Prioritized Deployment of Measures.....	134	2	Driving Public-Private Partnerships, etc.....	136
1	Automating, Streamlining and Upgrading Construction Production System Workflow...	134	Section 10	Policy Evaluations, Project Evaluations and Interactive Administration	136
2	Assuring Public Works Quality and Fostering and Maintaining Bearers.....	134	1	Driving Policy Evaluations	136
Section 9	Forming a New Phase of Relationships between the Central and Local Governments and Private Sectors.....	136	2	Implementation of Project Evaluations.....	137
			3	Driving Administrative Management Open to the Public, and Interactive Administration.....	137
			Section 11	Approaches to Hosting Tokyo 2020 Olympic and Paralympic Games.....	137
Chapter 3	Realizing a Tourism Nation and Building a Beautiful Nation.....	139			
Section 1	Trends in Tourism.....	139	5	Conditioning the Environment to Host Foreign Tourists.....	144
1	Significance of a Tourism Nation	139	6	Promoting Attraction and Holding of MICE and Grabbing Foreign Business Guests.....	145
2	Tourism Now.....	139	7	Consolidating the tourism industry.....	145
Section 2	Approaches to Forging a Tourism Nation.....	141	8	Encouraging holiday taking	146
1	Promoting Tourism in Time for the 2020 Tokyo Olympic and Paralympic Games.....	142	9	Preparing tourism statistics	146
2	Approaches to Expanding Inbound Tourism Drastically.....	142	Section 3	Building a Beautiful Nation Blessed with Pleasing Landscapes, etc.....	147
3	Fueling Japanese Travel with Eased Visa Requirements, etc.	142	1	Pleasing Landscape Formation.....	147
4	Developing Attractive Tourism Areas Appealing to the Whole World.....	143	2	Community Development Leveraging Nature and History.....	148
Chapter 4	Promoting Regional Revitalization	150			
Section 1	Approaches to Regional Revitalization.....	150	1	Promoting Urban Development by Private Sectors	160
Section 2	Promoting Measures Supporting Regional Revitalization.....	151	2	Approaching National Strategic Special Districts	162
1	Efforts Directed at Augment Regional and Private Self-reliance and Discretion	151	Section 4	Promoting Localized Promotion Measures.....	162
2	General Endeavors to Build an Intensive Urban Structure.....	152	1	Measures Directed at Heavy Snowfall Areas.....	162
3	Urban Planning and Infrastructures Development Taking Advantage of Regional Characteristics	152	2	Promoting Remote Islands Development	162
4	Self-Reliance and Revitalization of Wide-Area Blocks, and Formation of National Land.....	157	3	Promoting and Developing the Amami Islands and Ogasawara Islands.....	162
5	Promoting Regional Partnerships and Interaction	158	4	Promoting Peninsulas.....	162
6	Securing Means of Regional Transport.....	159	Section 5	Promoting Comprehensive Development of Hokkaido	163
Section 3	Promoting the Private Urban Development.....	160	1	Promoting the Hokkaido Comprehensive Development Plan.....	163
			2	Promoting Distinctive Regions and Cultures	165
Chapter 5	Creating a Comfortable Living Space	166			
Section 1	Realizing Affluent Residential Living...	166	1	Developing City Parks and Forming a Good Urban Environment.....	172
1	Securing Stability of Residential Living and Advancing its Betterment.....	166	2	Advancing Roads that Prioritize Pedestrians and Bicycle Riders.....	173
2	Supply and Utilization of Good Housing Land.....	171	Section 3	Realizing Traffic with Enhanced Convenience.....	174
Section 2	Realizing Comfortable Living Environments.....	172			

Chapter 6 Building a Competitive Economic Society	178
Section 1 Constructing Traffic Networks	178
1 Constructing Highways.....	178
2 Constructing Arterial Railway Networks.....	179
3 Constructing Aviation Networks.....	181
4 Facilitating Traffic Access to Airports.....	187
Section 2 Implementing Comprehensive and Integrated Logistics Policies	188
1 Implementing Logistic Policies to Correspond with Deepening Global Supply Chains	188
2 Measures Aimed at Building an Efficient and Sustainable Logistics System in Japan.....	191
Section 3 Reactivating Industries.....	192
1 Trends in Railway Industries and Measures.....	192
2 Trends in Motor Truck Transport Business and Measures	193
3 Trends in Maritime Industries and Measures	196
4 Trends in Air Transport Business and Measures	200
5 Trends in the Consigned Freight Forwarding Business and Measures	201
6 Trends in the Warehousing Business and Measures	201
7 Trends in the Truck Terminal Business and Measures	201
8 Trends in the Real Estate Business and Measures	201
9 Building a Sustainable Construction Industry.....	205
Chapter 7 Building a Safe and Comfortable Society	209
Section 1 Realizing a Universal Society	209
1 Realizing Accessibility through a Universal Design Concept.....	209
2 Creating an Environment that Supports Child- rearing Under an Low Birthrate Society	210
3 Ageing Society Measures.....	211
4 Promoting the Support of Pedestrian Travel	212
Section 2 Natural Disaster Measures.....	212
1 Responding to Weather Disasters Getting More Serious and Imminent Giant Earthquakes.....	212
2 Shaping National Land that is Safe and Resilient to Disasters, Enhancing and Strengthening the Framework of Preparedness for Crisis Management	215
3 Secure Transportation Systems Resistant to Disasters.....	239
Section 3 Ensuring the Safety of Architecture.....	240
Section 4 Strengthening Safety Measures in the Transport Sector.....	241
1 Building and improving the safety management system in public transportation.....	241
2 Railway Transportation Safety Measures.....	242
3 Safety Measures for Maritime Traffic.....	243
4 Air Traffic Safety Measures.....	246
5 Determining the Causes of Aircraft, Railway, and Marine Accidents/Serious Incidents and Preventing Recurrence.....	247
6 Support for Victims and Families of Public Transport Accidents	248
7 Safety measures for road traffic	248
Section 5 Crisis Management and Security Measures.....	253
1 Promoting Crime and Terrorism Countermeasures.....	253
2 Establishing a Response System for Accident Disasters	257
3 Strengthening the Coast Guard System.....	257
4 National Security and Protection of Citizen's Lives and Assets	258
5 Infectious Disease Measures.....	259
Chapter 8 Creating and Preserving a Beautiful and Healthy Environment	260
Section 1 Promoting Global Warming Countermeasures	260
1 Implementing Global Warming Countermeasures.....	260
2 Promoting Global Warming Countermeasures (Mitigation Measures).....	261
3 Promotion of the Use of Renewable Energy	266
4 Promotion of Global Warming Countermeasures (Adaptation Measures).....	267
Section 2 Promoting the creation of a recycling society	267
1 Advancing recycling in construction.....	267
2 Constructing a resource recycling logistics system.....	269
3 Recycling vehicles and marine vessels	270
4 Efforts in Green Procurement.....	271
5 Promoting the use of wooden building materials.....	272
Section 3 National land development that revives and preserves the natural environment.....	272
1 Initiatives for preserving biodiversity.....	272
2 Creating rich and beautiful river environments	273
3 Preserving and improving coastal environments	274
4 Greening port and harbor administration.....	275
5 Greening roads and promoting natural environmental measures	276
Section 4 Maintenance or Recovery of a Healthy Water Cycle.....	276

1	Becoming a society that can enjoy the blessings of water.....	276	3	Countermeasures for Railway Noise.....	285
2	Initiatives in improving the water environment.....	277	4	Countermeasures for urban heat islands.....	285
3	Cultivating water and using it efficiently.....	278	5	Countermeasures for sick building syndrome and soil contamination.....	285
4	Realizing amenity by promoting improvements to sanitary drainage.....	279	6	Environmental measures in construction.....	286
Section 5	Protecting the marine environment.....	282	Section 7	Observing, monitoring, and forecasting changes in the global environment.....	286
Section 6	Improving living environments by preventing atmospheric and noise pollution.....	283	1	Observing and monitoring the global environment.....	286
1	Policies for environmental issues related to road traffic.....	283	2	Research and Prediction of the Global Environment.....	289
2	Environmental measures for airports and surrounding areas.....	284	3	Promoting Global Mapping Project and the world geodetic network.....	290
Chapter 9 Strengthening International Expansion and Contributions.....		291			
Section 1	Promoting the Export of Infrastructure Systems.....	291	1	Initiatives in the Field of Economic Partnerships.....	296
1	Trends of the World Infrastructure Market.....	291	2	Contributions to and Strategic Utilization of International Organizations.....	297
2	General Direction of Government Policy.....	291	3	Multilateral and Bilateral Initiatives in Individual Sectors.....	301
3	Initiatives of the Ministry of Land, Infrastructure, Transport and Tourism.....	292	Section 3	Efforts for International Standardization.....	305
Section 2	Promotion of International Cooperation and Negotiations.....	296			
Chapter 10 Utilizing ICT and Promoting Technology Research and Development.....		308			
Section 1	Promoting Innovation in the Field of National Land and Transport Utilizing ICT.....	308	1	The Position of Technological Research and Development in Technology Policies and Comprehensive Promotion.....	313
1	Promoting ITS.....	308	2	Promoting the Utilization and Adoption of New Technology for Public Works.....	315
2	Realizing a Society that Utilizes Geospatial Information in a Sophisticated Manner.....	309	Section 3	Improving Construction Management Technology.....	315
3	Realizing an Electronic Government.....	310	1	Improving Costing Technology for Public Works.....	315
4	Development and Opening of Optical Fiber for the Management of Public Facilities and Its Housing Space.....	311	2	CIM and BIM Initiatives.....	315
5	Sophisticated Water Management and Water Disaster Prevention Utilizing ICT.....	311	Section 4	Technology Development for Construction Machinery and Mechanical Equipment.....	316
6	Use of Big Data.....	312			
Section 2	Promoting the Research and Development of Technology.....	313			

Column

■	The Current Conditions of Vacant Housing and the Establishment of the “Act on Special Measures concerning the Promotion of Measures for Vacant Buildings, etc.”.....	23	■	“Takuhaï [Parckage Delivery] Mate (Sagawa Mama)” ~Work While Raising your Children!~.....	67
■	Women Who Migrate.....	47	■	“Tora Girl” (Truck Girl) ~Towards More Active Participation by Women Truck Drivers~.....	68
■	Regional Development Through Interaction Between Urban and Rural Areas ~ Connection Agreement Between Kawaba Village in Gunma and Setagaya Ward in Tokyo ~.....	50	■	Co-Working, the New Way of Working.....	71
■	The Expectations for the Opening of the Hokuriku Shinkansen (Bullet Train).....	61	■	Utilizing Public Facilities and Public Real Estate (PRE) and Public-Private Partnership.....	93
			■	Rebuilding a Ward Office Building on PRE in a Government-Private Alliance (Toshima Ward, Tokyo).....	96

<ul style="list-style-type: none"> ■ Inauguration of the Priority “<i>Michi-no-Eki</i>” (roadside station) Program 101 ■ Community Development in a Suburban Metropolitan Area (Effort at Toyoshikidai Housing Development in Kashiwa City)..... 106 ■ Examples of Enhanced Regional Vitality and Charms on Wide-Area Networking..... 111 ■ Public Construction Inquiry Desk..... 119 ■ Eruptions on Nishinoshima Island Stretch Borders of Territorial Waters 132 ■ Inbound Spending Grabs Attention 140 ■ Rejuvenating Waterborne Transportation in the Aqua Metropolis of Tokyo 149 ■ Realizing a Hydrogen Society in Hokkaido 164 ■ Distribution Promotion/Utilization of Existing Housing 169 ■ 50th Anniversary of Tokaido Shinkansen..... 180 ■ Business Jets Made More Convenient to Use at the Tokyo International Airport..... 185 	<ul style="list-style-type: none"> ■ Amendment of “Sediment Disaster Prevention Act”..... 221 ■ Eruption of Ontakesan (Mt. Ontake) on September 27, 2014 and Response by Japan Meteorological Agency 224 ■ The “Seacoast Law” was amended for the first time in 15 years. 227 ■ MLIT’s Response to Heavy Snowfall 233 ■ Efforts to Improve Functions of Disaster Prevention Application Software..... 238 ■ The launch of next-generation geostationary meteorological satellite “Himawari-8” and capturing the first images..... 287 ■ The Establishment of the Japan Overseas Infrastructure Investment Corporation for Transport & Urban Development (JOIN)..... 295 ■ Bridging Southeast Asia and the OECD - Contributions of the Ministry of Land, Infrastructure, Transport and Tourism 298
