Preface

Part I The Opening of a New Era in Land, Infrastructure, Transport and Tourism Administration through Innovation

Chapter 1 Development and Innovation in Japan	2
Section 1 The Environment and Socioeconomic Situation Surrounding Japan	2
1 Japan's Socioeconomic Situationx	2
2 Issues Facing Japan	6
3 Need for Innovation	9
Section 2 The State of Innovation in Japan	12
1 Innovation Policy in Japan to Date	12
2 Competitive Environment Related to and Public Awareness of Innovation	15
Section 3 History of Innovation	25
1 History of Diverse Innovation in the World	25
2 Innovation Evolved by Japan	38
Chapter 2 Present Efforts Toward and Issues Regarding Pilot Projects and Creation of Innovation	44
Section 1 Efforts of Various Countries Toward Pilot Projects and Creation of Innovation	44
1 Development of Science, Technology and Innovation Policy in Foreign Countries	44
2 Examples of Efforts toward Innovation Creation in Foreign Countries	49
Section 2 Status of Efforts toward the Social Implementation of New Technologies and Services by the Ministry of Land, Infrastructure, Transport and Tourism	53
1 Policies of the Ministry of Land, Infrastructure, Transport and Tourism	53
2 Initiatives Related to Innovation	55
Section 3 Issues in Innovation in the National Land and Transport Sectors, and Requirements for Future Efforts toward Innovation	75
1 Present State and Issues in Innovation in the National Land and Transport Sectors	76
2 Requirements for Promoting Innovation in the National Land and Transport Sectors	86
Chapter 3 Prospects for the Future Generated by Innovation	91
Section 1 Predictions of the Future Social Environment	91
Section 2 Japan in 2050 as Envisioned with Innovation	95
1 The Future Envisioned Based on the Present and the Ideal Future	95
2 Forecasts of the Future in the Land, Infrastructure, Transport, and Tourism Sectors in 2050	106
References	109

Part II Trend in MLIT Policies

Chapter 1 Initiatives towards Restoration and Reconstruction from the Great East Japan Earthquake ... 114	
Section 1 Current Status and Measures Towards Restoration and Reconstruction.....	114
Section 2 Steady Recovery and Reconstruction of Infrastructure and Transportation.....	115
Section 3 Promoting Post-Disaster Town Reconstruction and Securing Stability of Residency.....	116
Section 4 Securing Local Public Transportation and Promoting Tourism.....	118
Section 5 Ensuring the Smooth Execution of Reconstruction Projects	118
Section 6 Reconstruction and Revitalization of Fukushima	119
Section 7 Building Tsunami-resistant Communities by Learning from the Great East Japan Earthquake.....	119
Chapter 2 Deploying Land, Infrastructure, Transport and Tourism Administration Tailored to Urges of the Times 121	
Section 1 Driving the Implementation of a National Land Policy Package.....	121
Section 2 Measures, etc. against Aging Social Infrastructures	121
Section 3 Driving the Social Infrastructure Development.....	126
Section 4 Promoting the Implementation of Transport Policy.....	128
1 Developing Policies Based on the Basic Act on Transport Policy	128
2 Reconstructing Local Public Transportation Networks.....	129
3 Promotion of Comprehensive Logistics Policy	131
Section 5 Driving the Implementation of a Tourism Policy Package.....	131
1 Steady Promotion of the “New Tourism Strategy to Invigorate the Japanese Economy” and the New “Tourism Nation Promotion Basic Plan” Based on the New Tourism Strategy.....	131
Section 6 Driving the Implementation of Ocean Policy (Oceanic State).....	132
1 Steadily Driving the Basic Plan on Ocean Policy.....	132
2 Protecting Our Country’s Interests in Maritime Rights and Interests	133
Section 7 Protecting Territorial Land and Territorial Waters Firmly.....	135
Section 8 Driving the Implementation of Water Cycle	137
1 Developing Policies Based on the Basic Act on Water Cycles	137
2 River Basin Management Promotion	137
Section 9 Efficient, Prioritized Deployment of Measures.....	138
1 Promoting i-Construction: Improving Construction Site Productivity.....	138
2 Assuring Public Works Quality and Securing and Developing Leaders	139
Section 10 Forming a New Phase of Relationships between the Central and Local Governments and Private Sectors	141
1 New Phase of Relationships between the Central and Local Governments	141
2 Driving Public-Private Partnerships, etc.....	142
Section 11 Policy Evaluations, Project Evaluations, and Interactive Administration	142
1 Driving Policy Evaluations	142
2 Implementation of Project Evaluations.....	142
3 Driving Administrative Management Open to the Public, and Interactive Administration..	143
Section 12 Approaches to Hosting Tokyo 2020 Olympic and Paralympic Games.....	143
Chapter 3 Realizing a World-Class Tourist Destination and Building a Beautiful Nation 144	
Section 1 Trends in Tourism	144
1 Significance of a Tourism Nation	144
2 Tourism Situation	144
Section 2 Initiatives to Realize a World-Class Tourist Destination.....	145
1 Enhancing the Appeal of Tourism Resources as a Cornerstone of Regional Revitalization ..	145
2 Innovating the Tourism Industry to Boost its International Competitiveness and Develop It into a Core Industry	148
3 Ensure All Visitors May Enjoy a Satisfying, Comfortable and Stress-free Sightseeing Experience	150
Section 3 Building a Beautiful Nation Blessed with Pleasing Landscapes, etc.	156
1 Pleasing Landscape Formation.....	156
2 Community Development Leveraging Nature and History.....	158

Chapter 4 Promoting Regional Revitalization	161
Section 1 Approaches to Regional Revitalization	161
Section 2 Promoting Measures Supporting Regional Revitalization	162
1 Efforts Directed at Augmenting Regional and Private Self-reliance and Discretion	162
2 General Endeavors to Build an Intensive Urban Structure	163
3 Urban Planning and Infrastructures Development Taking Advantage of Regional Characteristics	164
4 Self-Reliance and Revitalization of Wide-Area Blocks, and Formation of National Land	168
5 Promoting Regional Partnerships and Interaction	170
6 Securing Means of Regional Transport	171
Section 3 Promoting the Private Urban Development	173
1 Promoting Urban Development by Private Sectors	173
2 Approaching National Strategic Special Districts	174
Section 4 Promoting Localized Promotion Measures	174
1 Measures Directed at Heavy-snowfall Areas ..	174
2 Promoting Remote Islands Development	175
3 Promoting and Developing the Amami Islands and Ogasawara Islands	176
4 Promoting Peninsulas	176
Section 5 Promoting Comprehensive Development of Hokkaido	176
1 Promoting the Hokkaido Comprehensive Development Plan	176
2 Promoting Distinctive Regions and Cultures ..	179
Chapter 5 Creating a Comfortable Living Space	181
Section 1 Realizing Affluent Residential Living	181
1 Securing Stability of Residential Living and Advancing its Betterment	181
2 Supply and Utilization of Good Housing Land	185
Section 2 Realizing Comfortable Living Environments	186
1 Developing City Parks and Creating a Good Urban Environment	186
2 Advancing Roads that Prioritize Pedestrians and Bicycle Riders	187
Section 3 Realizing Traffic with Enhanced Convenience	188
Chapter 6 Building Competitive Economy and Society	190
Section 1 Constructing Traffic Networks	190
1 Developing Trunk Road Networks	190
2 Constructing Arterial Railway Networks	193
3 Constructing Aviation Networks	195
4 Facilitating Traffic Access to Airports	200
Section 2 Implementing Comprehensive and Integrated Logistics Policies	201
1 Implementing Logistic Policies to Correspond with Deepening Global Supply Chains	201
2 Measures Aimed at Building an Efficient and Sustainable Logistics System in Japan	205
Section 3 Reactivating Industries	207
1 Trends in Railway Industries and Measures ..	207
2 Trends in Motor Truck Transport Business and Measures	208
3 Trends in Maritime Industries and Measures ..	212
4 Trends in Air Transport Business and Measures ..	219
5 Trends in the Consigned Freight Forwarding Business and Measures	219
6 Trends in the Warehousing Business and Measures	219
7 Trends in the Truck Terminal Business and Measures	219
8 Trends in the Real Estate Business and Measures	220
9 Building a Sustainable Construction Industry ..	223
Chapter 7 Building a Safe and Comfortable Society	227
Section 1 Realizing a Universal Society	227
1 Realizing Accessibility through a Universal De- sign Concept	227
2 Creating an Environment that Supports Child-rearing Under an Low Birthrate Society ..	229
3 Ageing Society Measures	229
4 Promotion of the Dissemination of Pedestrian Mobility Support	230
Section 2 Natural Disaster Measures	231
1 Shifting to a Society with Higher Disaster Prevention Awareness	232
2 Shaping National Land that is Safe and Resilient to Disasters and Enhancing and Strengthening the Framework of Preparedness for Crisis Management	238

3	Secure Transportation Systems Resistant to Disasters	262	6	Support for Victims and Families of Public Transport Accidents	274
Section 3	Ensuring the Safety of Architecture	264	7	Safety Measures for Road Traffic	275
Section 4	Strengthening Safety Measures in the Transport Sector	265	Section 5	Crisis Management and Security Measures	282
1	Building and Improving the Safety Management System in Public Transportation	265	1	Promoting Crime and Terrorism Counter-measures	282
2	Railway Transportation Safety Measures	266	2	Establishing a Response System for Accident Disasters	286
3	Safety Measures for Maritime Traffic	268	3	Ensuring Public Safety at Sea	286
4	Air Traffic Safety Measures	271	4	National Security and Protecting Citizens' Lives and Assets	287
5	Finding the Causes of Aircraft, Railway, and Marine Accidents/Incidents, and Preventing Recurrence	273	5	Infectious Disease Measures	288
Chapter 8 Creating and Preserving a Beautiful and Healthy Environment					
290					
Section 1	Promoting Global Warming Countermeasures	290	Section 4	Maintenance or Restoration of Sound Water Cycle	309
1	Implementing Global Warming Countermeasures	290	1	Aiming to Maintain a Society in which the Benefits of Water Can Be Savored for a Long Time to Come	309
2	Promoting Global Warming Countermeasures (Mitigation Measures)	291	2	Initiatives in Improving the Water Environment	312
3	Promotion of the Use of Renewable Energy	296	3	Cultivating Water and Using It Efficiently	313
4	Promotion of Global Warming Countermeasures (Adaptation Measures)	301	4	Realizing Amenity by Promoting Improvements to Sanitary Drainage	314
Section 2	Promoting the Creation of a Recycling Society	301	Section 5	Protecting the Marine Environment	318
1	Advancing Recycling in Construction	301	Section 6	Improving Living Environments by Preventing Atmospheric and Noise Pollution	321
2	Constructing a Resource Recycling Logistics System	303	1	Policies for Environmental Issues Related to Road Traffic	321
3	Recycling Vehicles and Marine Vessels	304	2	Environmental Measures for Airports and Surrounding Areas	322
4	Efforts in Green Procurement	304	3	Countermeasures for Railway Noise	322
5	Promoting the Use of Wooden Building Materials	305	4	Countermeasures for Urban Heat Islands	322
Section 3	National Land Development That Revives and Preserves the Natural Environment	305	5	Countermeasures for Sick Building Syndrome and Soil Contamination	322
1	Initiatives for Biodiversity Conservation	305	6	Environmental Measures in Construction	323
2	Creating Rich and Beautiful River Environments	306	Section 7	Observing, Monitoring, and Forecasting Changes in the Global Environment	324
3	Preserving and Improving Coastal Environments	307	1	Observing and Monitoring the Global Environment	324
4	Greening Port and Harbor Administration	308	2	Research of and Predictions of the Global Environment	326
5	Greening Roads and Promoting Natural Environmental Measures	309	3	Promoting Worldwide Geodetic Observation	326
Chapter 9 Strengthening Strategic International Expansion and Contributions					
328					
Section 1	Promoting the Export of Infrastructure Systems	328	Section 2	Promotion of International Cooperation and Negotiations	338
1	General Direction of Government Policy	328	1	Initiatives in the Field of Economic Partnerships	338
2	Initiatives of the Ministry of Land, Infrastructure, Transport and Tourism	328	2	Contributions to and the Strategic Use of International Organizations	338

3	Multilateral and Bilateral International Negotiations and Collaborative Initiatives in Different Sectors	342
---	--	-----

Section 3	Initiatives Towards International Standardization	345
-----------	---	-----

Chapter 10 Utilizing ICT and Promoting Technology Research and Development 348

Section 1	Promoting Innovation in the Fields of Land, Infrastructure, Transport, and Tourism Through the Use of ICT	348
1	Promoting ITS	348
2	Realizing Automatic Driving	349
3	Realizing a Society that Utilizes Geospatial Information in an Advanced Manner	350
4	Realizing an Electronic Government	350
5	Development and Opening of Optical Fiber for the Management of Public Facilities and Its Housing Space	351
6	Sophisticated Water Management and Water Disaster Prevention Utilizing ICT	351
7	The Use of Big Data	352

Section 2	Promoting the Research and Development of Technology	353
1	The Position of Technological Research and Development in Technology Policies and Comprehensive Promotion	353
2	Promoting the Utilization and Adoption of New Technology for Public Works	355
Section 3	Improving Construction Management Technology	355
1	Improving Costing Technology for Public Works	355
2	CIM and BIM Initiatives	356
Section 4	Technology Development for Construction Machinery and Mechanical Equipment	356

Column

■	Economic Cycles and Innovation	11
■	Ensuring Innovation and Safety	31
■	The First Industrial Revolution and the Luddite Movement	37
■	Shared Housing for Child Rearing	43
■	Tsukishima-sō	52
■	Enhancing and Promoting Training in Shipbuilding at Technical High Schools	63
■	A Medium- and Long-Distance Ride Matching Service	73
■	Japan Congress for Infrastructure Management —Platform for Society-wide Infrastructure Management Efforts—	124
■	Launch of Basic Research for the Infrastructure Future Map Project (tentative name)	127
■	Promotion of Infrastructure Tourism	146
■	5 Million Foreign Cruise Passengers to Japan by 2020	153
■	Aiming to Realize an Attractive, World-Class Tourist Destination	154
■	Traveling from Haneda to the City Center via Boat and Enjoying the Attractive Waterfront Environment in Tokyo (Tokyo Waterways Pilot Project)	158
■	“Shimatching”—Matching remote Islands and Companies	175
■	Promoting Driving Trips to Foreign Visitors	178

■	Toward the Development of an LNG Bunkering Hub	203
■	Historical Maritime Depression and Integration of Regular Container Services of International Shipping Companies in Japan	214
■	Toward the Realization of the Barrier-free, Stress-free Society	231
■	Promoting Emergency Flood Control Measures in Response to the Series of Tropical Cyclones That Occurred in August 2016	234
■	National Government Agency Projects for Restoration of National Auxiliary Roads, Prefectural Roads, and Village Roads	238
■	Dam Improvement — Early Upgrading of Water Utilization and Flood Control Capacities to Support Local Economies —	239
■	Launch of Anti-inundation Measures Through Public-private Partnership	242
■	Measures Against Large-scale Slope Failures in the Aso-Ohashi Bridge Area	246
■	Field Surveys for Creating Maps and Charts of Nishinoshima Island	251
■	Support for the Recovery of Railways That Sustained Damage in the Kumamoto Earthquake and Tropical Cyclones of 2016	263
■	Measures Implemented in the Light of the Karuizawa Ski Bus Accident	276

■ The Yearly Seizure of Stimulant Drugs Hits a Record at 1,314 kg.....	287	■ Dry Spells along the Tonegawa River System in 2016 and Countermeasures to the Water Shortage ...	310
■ Introduction of Offshore Wind Power Systems in Ports and Harbors.....	296	■ Initiatives for Widening the Scope of the Sewerage System under a Council System.....	316
■ First in Japan! Promotion of Low-carbon Urban Development by Providing Heat from Sewer Pipes at the Initiative of Private-Sector Businesses	298	■ Educational Activities on Marine Conservation ..	319
■ Sewerage Innovation – Strategy for Creation of a “Resource Produced in Japan” (Productivity Revolution Project).....	299	■ Publication of Global Warming Projection Vol. 9...	327
		■ Strong Promotion of Top Sales.....	329
		■ G7 Transport Ministers’ Meeting in Karuizawa, Nagano	339

※ Maps used in this white paper may not necessarily indicate Japanese territory comprehensively.
