

**WHITE PAPER ON LAND,
INFRASTRUCTURE, TRANSPORT
AND TOURISM IN JAPAN, 2013**

**Ministry of Land, Infrastructure,
Transport and Tourism**

Contents

Preface

Part I Towards Maintenance, Management and Renewal of Future Social Infrastructures - Social Infrastructures That Are Passed on from Aged to Age -

Chapter 1 Social Infrastructures To Date and Challenges Open for the Future	2
Section 1 History of Social Infrastructures and Their Roles	2
1 Development of Infrastructures Viewed in Chronological Order	2
2 Roles of Social Infrastructures	11
Section 2 Climate of the Economic Society Surrounding Social Infrastructures	15
1 Slipping into a Society of Sheer Dwindling Population	15
2 Sagging Economy and Stiffening International Competition	18
3 Tightening Financial Constraints	21
4 Fragile National Land and Heightening Disaster Risks	22
Section 3 Status of Maintenance and Management of Social Infrastructures	28
1 Aging Social Infrastructures	28
2 “America in Ruins” and Subsequent Approaches	31
3 Trends in the Maintenance and Management of Social Infrastructures	33
Conclusions	44
Chapter 2 Social Infrastructure in the Future	46
Section 1 Using it Wisely	46
1 Using the Market Mechanism	46
2 Ingenuity in Using Existing Stock	54
3 Efficiency through Integration	64
Section 2 Supported by Everyone	72
1 Using PPP/PFI for Maintenance and Management	72
2 Residents Participating in the Maintenance and Management of Social Infrastructure	83
Section 3 Taking a Far-sighted Vision	92
1 Perception of Burden on Future Generations	92
2 Planned Efforts with Future Strain in Mind	98
3 Using New Technology and Training Leaders for Maintenance, Management, and Upgrading	105
Chapter 3 Major Efforts Made in the Fields of National Land and Transportation	120
Section 1 Effort to Use Social Infrastructures Wisely	120
1 Effective Road Space Utilization	120
2 Forging a Compact City	121
Section 2 Supporting Social Infrastructures by Everyone	121
1 Driving PPP/PFI	121
2 Resident Cooperation in Maintenance and Management	123
3 Maintaining Local Public Transportation	123
Section 3 Efforts to Take a Far-Sighted Vision of Social Infrastructures	124
1 Efforts Made during the First Year of Social Capital Maintenance Activity and Carrying Them Forward through the Future	124
2 Getting Construction Works Executed Right, and Securing Manpower to Undertake Them	127
Conclusions	128
Annotation 1 Estimating the Productivity Effect of Social Capital	129
Annotation 2 Verifying the Welfare Effect of Social Capital	131
Annotation 3 Estimating the Effects of the Compactness of a City May Have Upon Administrative Spending	133

Part II Trend in MLIT Policies

Chapter 1 Initiatives towards Restoration and Reconstruction from the Great Eastern Japan Earthquake 136	
Section 1 The Current Status and Measures towards Restoration and Reconstruction..... 136	Section 5 Ensuring the Smooth Execution of Reconstruction Projects..... 141
Section 2 The Steady Recovery and Reconstruction of Infrastructures and Transportation 137	Section 6 Reconstruction, Revitalization and Etc. of Fukushima 142
Section 3 Promoting Post-Disaster Town Reconstruction and Securing Stability of Residency 139	Section 7 Developing Tsunami-resistant Communities learned from the Great East Japan Earthquake..... 142
Section 4 Securing Local Public Transportation and Promoting Tourism..... 140	
Chapter 2 Deploying Land, Infrastructure, Transport and Tourism Administration Tailored to Urges of the Times 143	
Section 1 Driving the Implementation of a National Land Policy Package 143	2 Ensuring the Quality of Public Works and Promoting Proper Tendering and Contracting for Public-Works Projects 147
Section 2 Driving the Implementation of Third Priority Plans for Social Infrastructure Development..... 143	Section 6 Forming a New Phase of Relationships between the Central and Local Governments and Private Sector..... 148
Section 3 Promoting the Implementation of Transport Policy 144	1 New Phase of Relationships between the Central and Local Governments..... 148
1 Basic Act on Transport Policy..... 144	2 Driving Public-Private Partnerships, etc. 148
2 New Institutional Approaches to Enhanced Local Public Transportation..... 145	Section 7 Policy Evaluations, Project Evaluations and Interactive Administration..... 149
Section 4 Driving the Implementation of Ocean Policy (Oceanic State)..... 146	1 Driving Policy Evaluations 149
Section 5 Efficient, Prioritized Deployment of Measures..... 147	2 Implementation of Project Evaluations..... 149
1 Driving Improvement of the Total Cost Structure of Implementation of Public-Works Projects..... 147	3 Driving Administrative Management Open to the Nation and Interactive Administration..... 149
	Section 8 Approaches to Hosting Tokyo 2020 Olympic and Paralympic Games 150
Chapter 3 Realizing a Tourism Nation and Beautiful Nation Building 151	
Section 1 Trends in Tourism..... 151	5 Consolidating the Tourism Industry and Developing Human Resources 155
1 Significance of a Tourism Nation 151	6 Developing Attractive Tourism Area 155
2 Tourism Now..... 151	7 Encouraging holiday taking 156
Section 2 Approaches to Forging a Tourism Nation..... 152	8 Preparing tourism statistics 156
1 Creating and Promoting a Japan Brand..... 153	Section 3 Building a Beautiful Nation Blessed with Pleasing Landscapes, etc..... 157
2 Fueling Japanese Travel with Eased Visa Requirements, etc. 153	1 Pleasing Landscape Formation..... 157
3 Improving Reception of Inbound Foreign Tourists..... 154	2 Community Development Leveraging Nature and History..... 158
4 Consolidating International Competitiveness in the Field of MICE..... 154	
Chapter 4 Promoting Regional Revitalization 160	
Section 1 Approaches to Regional Revitalization..... 160	2 General Endeavors to Realize an Intensive Urban Structure..... 162
Section 2 Promoting Measures Supporting Regional Revitalization..... 160	3 Urban Planning and Infrastructures Development Taking Advantage of Regional Characteristics..... 162
1 Efforts Directed at Augment Regional and Private Self-reliance and Discretion 160	

4 Self-Reliance and Revitalization of Wide-Area Blocks, and Formation of National Land.....	167	1 Measures Directed at Heavy Snowfall Areas..	172
5 Promoting Regional Partnerships and Interaction	168	2 Promoting Remote Islands Development	172
6 Securing Means of Regional Transport.....	169	3 Promoting and Developing the Amami Islands and Ogasawara Islands.....	172
Section 3 Promoting Urban Reconstruction Projects, etc.	170	4 Promoting Peninsulas.....	172
1 Promoting Urban Reconstruction Projects	170	Section 5 Promoting Integrated Development of Hokkaido	173
2 Promoting Urban Development by Private Sectors	170	1 Promoting the New Hokkaido Comprehensive Development Plan to Lead the Era of the Global Environment	173
3 Approaching National Strategic Special Districts	172	2 Promoting Distinctive Regions and Cultures	174
Section 4 Promoting Localized Promotion Measures.....	172		
Chapter 5 Creating a Comfortable Living Space	176		
Section 1 Realizing Affluent Residential Living.....	176	1 Developing City Parks, and Shaping a Good Urban Environment	181
1 Securing Stability of Residential Living and Advancing its Betterment.....	176	2 Advancing Road Development that Prioritizes Pedestrians and Bicycle Riders.....	182
2 Supply and Utilization of Good Housing Land.....	180	Section 3 Realizing Traffic with Enhanced Convenience.....	183
Section 2 Realizing Comfortable Living Environments.....	181		
Chapter 6 Building a Competitive Economic Society	187		
Section 1 Constructing Traffic Networks	187	3 Trends of Maritime Industries and Measures	201
1 Constructing Highways.....	187	4 Trends in Air Transport business and Measures	206
2 Constructing Arterial Railway Networks.....	188	5 Trends in the Consigned Freight Forwarding Business and Measures	206
3 Constructing Aviation Networks.....	189	6 Trends in the Warehousing Business and Measures	207
4 Facilitating Traffic Access to Airports.....	193	7 Trends in the Truck Terminal Business and Measures	207
Section 2 Implementing Comprehensive and Integrated Logistics Policies	194	8 Trends in the Real Estate Business and Measures	207
1 Implementing Logistic Policies to Correspond with Deepening Global Supply Chains	194	9 Building a Sustainable Construction Industry.....	210
2 Measures Aimed at Building an Efficient Logistics System at Home.....	197		
Section 3 Reactivating Industries.....	198		
1 Trends in Railway Industries and Measures.....	198		
2 Trends in Motor Truck Transport Business and Measures	199		
Chapter 7 Building a Safe and Comfortable Society	214		
Section 1 Realizing a Universal Society	214	Section 3 Ensuring the Safety of Architecture.....	243
1 Realizing Accessibility through a Universal Design Concept.....	214	Section 4 Strengthening Safety Measures in the Transport Sector	244
2 Creating an Environment that Supports Child-rearing Under an Low Birthrate Society	215	1 Establishing and Improving the Safety Management System of Public Transportation	244
3 Ageing Society Measures.....	216	2 Railway Transportation Safety Measures	245
4 Promoting the Support of Pedestrian Travel	217	3 Safety Measures for Maritime Traffic.....	247
Section 2 Natural Disaster Measures.....	217	4 Air Traffic Safety Measures.....	250
1 Shaping National Land that is Safe and Resilient to Disasters, Enhancing and Strengthening the Framework of Preparedness for Emergency Management	217	5 Determining the Causes of Air, Rail, and Marine Accidents/ Serious Incidents and Preventing Recurrence	252
2 Secure Transportation Systems Resistant to Disasters	242	6 Support for Victims and Families of Public Transport Accidents	252

7 Safety Measures for Road Traffic.....	253	3 Strengthening the Coast Guard System.....	261
Section 5 Crisis Management and Security Measures.....	257	4 Protecting Our Country's Interests in Maritime Rights.....	262
1 Promoting Crime and Terrorism Countermeasures.....	257	5 Security and Protecting Citizen's Lives and Assets.....	264
2 Establishing a Response System for Accident Disasters.....	261	6 Infectious Disease Measures.....	264
Chapter 8 Creating and Preserving a Beautiful and Healthy Environment.....		266	
Section 1 Promoting Countermeasures against Global Warming.....	266	2 Measures in building a healthy water circulation system in cooperation with ministries and agencies involving water.....	283
1 Implementing Global Warming Countermeasures.....	266	3 Establishment of the Basic Law of Water Circulation and the law concerning the promotion of rainwater use.....	283
2 Promoting Global Warming Countermeasures (Mitigation Measures).....	267	4 Initiatives in improving the water environment.....	283
3 Promotion of the Use of Renewable Energy ..	273	5 Cultivating water and using it efficiently.....	285
4 Promotion of Global Warming Countermeasures (Adaptations).....	274	6 Realizing amenity by promoting improvements to sanitary drainage	286
Section 2 Promoting the creation of a recycling society	274	Section 5 Protecting the marine environment.....	288
1 Advancing recycling in construction.....	274	Section 6 Improving living environments by preventing atmospheric and noise pollution.....	289
2 Constructing a resource recycling logistics system.....	276	1 Policies for environmental issues related to road traffic	289
3 Recycling vehicles and marine vessels	277	2 Environmental measures for airports and surrounding areas.....	290
4 Efforts in Green Procurement.....	277	3 Countermeasures for Railway Noise.....	291
5 Promoting the use of wooden building materials.....	277	4 Countermeasures for urban heat islands.....	291
Section 3 National land development that revives and preserves the natural environment.....	278	5 Countermeasures for sick building syndrome and soil contamination.....	291
1 Initiatives for preserving biodiversity.....	278	6 Environmental measures in construction.....	292
2 Creating rich and beautiful river environments	278	Section 7 Observing, monitoring, and forecasting changes in the global environment.....	292
3 Preserving and improving coastal environments	280	1 Observing and monitoring the global environment.....	292
4 Greening port and harbor administration.....	280	2 Research and Prediction of the Global Environment.....	296
5 Greening roads and promoting natural environmental measures	282	3 Promoting Global Mapping Project and the world geodetic network.....	296
Section 4 Building a healthy water circulation system	282		
1 Becoming a society that can enjoy the blessings of water.....	282		
Chapter 9 Strengthening International Expansion and International Contributions.....		297	
Section 1 Promoting the Export of Infrastructure Systems.....	297	Section 2 Promotion of International Cooperation and Negotiations.....	300
1 General Direction of Government Policy	297	1 Initiatives in the Field of Economic Partnerships	300
2 The Concept of Infrastructure System Exports in the Field of Land, Infrastructure, Transport and Tourism	297	2 Contributions and Strategic Utilization of International Organizations.....	301
3 Upstream Involvement and Information Dissemination.....	298	3 Cross-Sectoral Endeavors.....	303
4 Development of Soft Infrastructure	298	4 Multilateral and Bilateral Initiatives in Individual Sectors.....	305
5 Supporting Businesses for Overseas Infrastructure	298	Section 3 Efforts for International Standardization.....	310

Chapter 10 Utilizing ICT and Promoting Technology Research and Development	313
Section 1 Promoting Innovation in the Field of National Land and Transport Utilizing ICT.....	313
1 Promoting ITS.....	313
2 Realizing a Society that Utilizes Geospatial Information Sophisticatedly.....	314
3 Realizing an Electronic Government.....	315
4 Development and Opening of Optical Fiber for the Management of Public Facilities and Its Housing Space.....	315
5 Sophisticated Water Management and Water Disaster Prevention Utilizing ICT.....	316
Section 2 Promoting the Research and Development of Technology.....	317
1 The Position of Technological Research and Development in Technology Policies and Comprehensive Promotion.....	317
2 Promoting the Utilization and Adoption of New Technology for Public Works.....	319
Section 3 Improving Construction Management Technology.....	319
1 Improving Costing Technology for Public Works.....	319
2 CIM and BIM Initiatives.....	320
Section 4 Technology Development for Construction Machinery and Mechanical Equipment.....	320

Column

Public Works Undertaken by Gyoki.....	3
Private Management of Eitai Bridge in the Edo Period.....	6
Hurricane Sandy vs. U.S. Disaster Preparedness.....	26
Lives of Concrete.....	41
Aging Condominiums.....	43
Use of Toll-charging System Overseas.....	48
PFI in Edo Period—Construction of Canals by a Wealthy Merchant.....	78
Various Funding Methods for Maintenance and Management.....	82
“Dobojo (play on word to mean engineer woman)” ~Women Who Work in the World of Civil Engineering~.....	116
Skill Inheritance and Securing Technicians for Shikinen Sengu (installation of a new deity on a specified year).....	118
Efforts towards Creating the “New Tohoku”.....	140
Achieving the 10-Million-Inbound-Foreign-Tourist Mark for the First Time in History.....	151
Japan’s First Cruise Train “Seven Stars in Kyushu” Just in Service.....	159
Inaugurating a One-stop desk for Cruise Promotion – Efforts Directed at Encouraging More Cruise Ships to Call in –.....	166
An Approach to Advancing Tourism Built around Bird Watching in Nemuro City.....	175
“Dam Regeneration” -Utilization through the Redevelopment of Existing Dams.....	219
Flood Control Projects Demonstrate Effectiveness Against Floods Caused by Typhoon Man-yi.....	221
Emergency Warnings Begin Operations.....	227
First Eruption in 39 Years Near Nishi-no-shima of the Ogasawara Islands.....	229
Amendment of the Act on Promotion of Seismic Retrofitting of Buildings (Seismic Retrofitting Promotion Law).....	236
Responding to the Large-Scale Sediment-related Disaster in Oshima-Machi, Tokyo Metropolitan Area - Assistance and Strengthening of Sediment Disaster Measures by TEC-FORCE.....	239
Ensuring the Safety of JR Hokkaido.....	246
The Third Traffic Vision - Initiatives for the Safety of Vessel Traffic -.....	249
Measures to Improve the Safety and Regain Trust of Bus Operations.....	254
The Promotion and Dissemination of Alternative Fuels in Aviation (Biojet fuels).....	271
“Guiding Committee for GEBCO” Coast Guard Marine Information Director elected Chairman... ..	295
Japan Overseas Infrastructure Investment Corporation for Transport & Urban Development.....	299
Japanese Construction Technology Contributes to Fulfilling “Turkish Peoples’ 150-Year Dream” - Opening of Bosphorus Cross-Strait Railway -... ..	305
Efforts Toward International Standardization of “Water Re-use”.....	312

※ Maps used in this white paper do not indicate exhaustive Japanese territory.
