

# Law on the Maintenance and Improvement of Historic Landscape in a Community

※Priority area is an area of land provided for constructions designated as “important cultural property”, “important tangible folk cultural property”, or “historic site, scenic beauty and natural monument”, or land within an “important preserved district for group of traditional buildings”, and its surrounding area of land.

# Plan for the maintenance and Improvement of historic landscape

The municipality will enact plans to maintain and improve its historic landscapes. The government will apply and focus support on plans and measures that will maintain and improve historic landscape centered around designated cultural properties with high historical value
