Announcement of the “Aviation Day” and “Aviation Week”

The Aviation Day (September 20) and Aviation Week (September 20 ~ 30)

September 20 is “The Aviation Day” and September 20 – 30 is “Aviation Week”. During these periods, MLIT selects persons of merit for aviation for the Commendation by the Minister of Land, Infrastructure, Transport and Tourism, and various events will be held at the airports all over Japan.

1. The purpose of the “Aviation Day” and “Aviation Week”

In 1992, the “Aviation Day” (September 20) and “Aviation Week”(September 20~30) were established with the purpose of increasing public awareness and understanding of aviation.

2. Events at the airports across Japan

Various types of events for the “Aviation Day”, such as tours of air traffic control towers, aviation classes, airport facility tours riding on airplanes will be held, and we look forward to widespread participation by all citizens.
