Disability-accessible Restaurant Guide

- O <u>Create a guide with information on restaurants</u> in areas surrounding the venues for the Tokyo 2020 Olympic and Paralympic Games <u>that can be used by the elderly and people with disabilities.</u>
- O List the pathways for wheelchair access to restaurants in the areas surrounding the competition venues, main train stations nearby, and the closest train stations. (Link to a wheelchair user website.)
- O Since usability of facilities differs depending on the degree of disability, include accessibility details for each restaurant in a checklist format.
- O <u>Create a multilingual guide (Japanese/English)</u> so foreign people can use it as well, <u>and enable viewing with a smartphone.</u>
