

There are cases in which medical expenses during a trip to Japan can add up to a high amount.

[Example of High Cost]

Collision with a bicycle resulting in traumatic pneumothorax and fractured ribs

Surgery + Hospitalization + Transport

7.5 million yen

Surgery, 19-day hospital stay, attending physician, flight back to the US on civilian aircraft (business class)

*Source: Tokio Marine International Assistance Co., Ltd.

! Please be aware that foreign visitors who fail to pay their medical expenses may be denied entry into Japan in the future.

There is travel insurance that you can purchase even after you enter Japan.

- Coverage of up to 10 million yen that even covers expensive treatment
- Includes interpretation services as well as medical institution referral and arrangement services
- Coverage for COVID-19
